

## NIP WARRANTY

We guarantee the absence of material defects of the countroll® NIP for a period of two years from the date of shipment.

The warranty covers only the material that has been used properly and has not been subject to misuse, repair or unauthorized modification.

During the warranty period, our responsibility is limited to the repair or replacement of defective hardware.

We do not guarantee the countroll® NIP against misuse and assume no responsibility for any misuse. We are in no way liable for damages resulting from the maintenance and / or staff errors. We are not in any way liable for the consequences of the results obtained with these instruments. These measures may be different from those made by other methods.

This warranty does not include the strip or battery. The strip being subjected to operational constraints at the time of use (bending, deformation, contact with ink...), it cannot be guaranteed. It is guaranteed for one year before use.

For repair guaranteed equipment, shipping charges are for the customer. We will bear the cost of returning the equipment after repair. Regarding countroll® NIP no longer under warranty, shipping and return are at the customer's expense.

We reserve the right to make changes without committing to modify existing products.

## NIP EC APPROVAL

The countroll NIP® complies with Directive 89/336 /EEC EMC and has the following standard: EN61326-1 (1997) Class A Emission and Immunity.
